5 years

Applicant ability as self-directed learner: I have witnessed Kelli's ability to grow in different positions over the past five years. She has consistently shown the ability and desire to improve herself for the sake of her teammates and the educators that we serve.

Time since last contact with applicant:

Work with her daily.

Applicant as productive member of group: Kelli's work requires collaboration amongst a broad range of individuals and potentially competing priorities. She has shown the ability to bring patience, thoughtfulness and empathy to all of those situations which has made her very successful while engaging with others.

Relationship with Applicant:		Applicant most significant strengths:	Kelli's strengths are many, but her empathy and drive to improve opportunities for others, as well as herself, are what stand out to me. Kelli consistently shows up for others, offering support and guidance. These qualities are part of the reason that she has been promoted three times since joining our office, twice by me personally. Kelli will be an excellent addition to any cohort and will help others gain as much as she will from this experience.
