To whom it may concern,

Kevin Burton-Crow requested a letter of recommendation for his application into the Master of Public Administration program at the Evergreen State College.

I have been Kevin's direct supervisor for approximately eight years since he first became a Reserve Deputy with our Office. He has been a leader since I have known him, being voted in as president by his fellow classmates in both the reserve academy and fulltime law enforcement academy. He has continued this leadership in becoming our associations vice-president, our ABLE state instructor and in his role as an explorer advisor. He also mentors' new employees on a regular basis and engages with community members.

My confidence in Kevin's abilities is very strong. He has demonstrated excellent critical thinking skills in addressing a wide range of challenges facing our community today. His interpersonal and communication skills have fostered great partnerships in the area he works and with the community he serves. His written communication skills documenting his activities are also extremely good in clarity and completeness.

It is my pleasure to have and continue to work with Kevin Burton-Crow and I highly recommend him for your program.

If there are any further questions, do not hesitate to contact me.

Sincerely,
