To Whom It May Concern:

I have supervised Kevin Burton-Crow for several years as an employee of the Thurston County Sheriff's Office. Kevin has advised that he wants to continue to pursue his education and I fully support this endeavor. I also hold a master's degree and understand the time and commitment required for this endeavor, and strongly feel that Kevin possesses the skills necessary to commit this goal.

Kevin has great critical thinking skills and demonstrates this daily when performing his job requirements. I can count on Kevin to make sound decisions and he always communicates well when dealing with the public, his peers, and his supervisors. Kevin is probably the hardest working employee that I supervise and constantly strives to stay busy while always working to improve his skills.

Kevin has great writing skills and thoroughly and accurately completes dozens of written documents on a weekly basis. I can count on him to produce quality written documents. Kevin also has great communication and interpersonal skills and can be counted on for positive interactions. Kevin has great leadership skills from his time serving in the military and demonstrates these skills daily.

I have great confidence in Kevin's ability to complete a graduate program and feel that he would be an excellent candidate for your program. He is very hardworking and persistent in each of his endeavors. Please don't hesitate to contact me for any additional information, ray.brady@co.thurston.wa.us.

Sincerely,

Lt. Ray Brady
