**SUBJECT: Letter of Recommendation**

To: Whom it May Concern

I am writing to provide a letter of recommendation for Jennifer Chancellor participation in the Evergreen State College Master of Public Administration Program.

I think that Jennifer is a perfect candidate to participate in the Master of Public Administration Program. In her work at the WA Health Care Authority, she has able to jump into the work of her position and collaborate with team members from other sections providing support and expertise. Jennifer has been instrumental in providing training and support around implementation of new contract requirements. Jennifer has moved into a leadership role within the team providing support and guidance to new team members. Jennifer continually engages in learning opportunities at the Health Care Authority including becoming a Green Belt.

Jennifer provides support to her team members on various projects sharing her skills and knowledge.

Jennifer has demonstrated his reliability and dependability in completing tasks assigned, on time and of high quality. She takes initiative in thinking outside of the box to develop creative solutions to issues he is confronted with. Jennifer is actively engaged in work processes and supports successful workflows through finding solution in the positive narrative despite challenges or personalities that may become barriers.

Jennifer is someone I can count on to be professional in every interaction and level within the State system and her position duties.

I am confident Jennifer will be an asset to the master's program and the cohort she works in in completing her degree.

Sincerely,

*Ruth Leonard*
