Letter of Recommendation for **Corbin (Mikey) Coffman**

From: Drew Buchman, Member of the Faculty (Music), buchmana@evergreen.edu

To Whom It May Concern:

I've gotten to know Corbin (Mikey to his friends) well in the full-time academic program "Advanced Studies in Music and Humanities." I've also worked with his twin brother Nico. He's been an exceptionally engaged, communicative student, participating in discussions. He's willing to ask questions, but is also amiable and kind—a consistent pleasure to work with.

Mikey is frank and focused in his self-assessments. He's managed to get his foot in the door as a musical entrepreneur, collaborating with other musicians (including his twin brother) as a performer, producer, and audio engineer. He has been putting the lessons in entrepreneurship and the arts he's learned at Evergreen into practice in this work.

Mikey is an individual of creativity and character and a devoted uncle, helping care for his nephew. He combines love of learning with a genuine concern for real people's problems. He has a sense of curiosity, a commitment to learning, energy, and creativity. He's open to new perspectives, works well across significant differences, and is well aware of contemporary social issues.

Mikey has demonstrated maturity, discipline, and creativity in his studies. His honesty, sincerity, and admirable commitment to making a difference make him a good choice for any kind of nonprofit, agency, or social work, I think. Please feel free to contact me if you have further questions.

Sincerely,

Drew Buchman, Member of the Faculty
