Recommender Form Questions

How long have you known applicant:

2 years

Applicant ability as self-directed learner: Dorian is an especially resilient and self-motivated learner. I have no reservations about their ability to be self-directed in a graduate program as long as that program is an accessible environment for them.

Time since last contact with applicant:

Two weeks

Applicant as productive member of group: Dorian's collaborative and collegial personality led me to invite them to be part of a small group of UWT faculty, current students, and alums (Dorian being the alum) that co-organized a book club on imprisonment and policing for the wider UWT community. Dorian was an incredibly generous, thoughtful, and smart co-organizer and co-facilitator. I have no concerns about Dorian's ability to work in teams/groups.

Relationship with Applicant:		Applicant most significant strengths:	Dorian is a sophisticated analyst of power and inequality, a rigorous reader, a generous colleague, and a seasoned community organizer. For all of these reasons, I am very confident that they will not only thrive in the ESC program but enrich the learning experience of their cohort members. I recommend Dorian in the strongest possible terms.
