To whom it may concern,

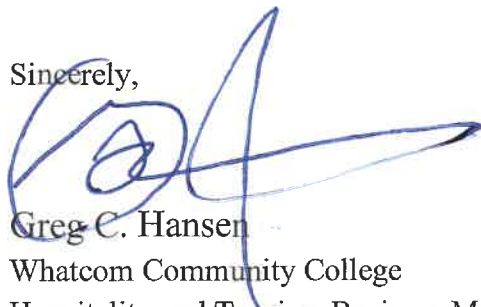

It is my pleasure to write this letter of recommendation for Shane Everbeck. During fall quarter of 2017 Shane was a student in my BUS 108 - Principles of Marketing course at Whatcom Community College.

As a student Shane stood out in my marketing course. He is a very bright, engaged, and thoughtful student who participates in class discussions and group work with ease. Shane's course work was thoughtful, creative, timely, and really highlighted his dedication to learning and personal growth. Outside of class, Shane is equally outgoing. I had the opportunity to engage Shane on a variety of weighty topics, from global economics to graphic design theory to local politics and in each he was knowledgeable and well informed which is exhibited in his academic and work experiences since studying at Whatcom.

I believe that Shane has the academic skills, social skills, and personal discipline to take full advantage of his education opportunities and will continue to stand out as a student. I am confident that Shane will continue to be a leader in whatever endeavors he pursues.

Please contact me if you would like to discuss Shane's qualifications in more detail.

Sincerely,

Greg C. Hansen
