A minimum of 180 quarter hours of academic credit plus 6 quarter hours in physical education activities were required for the Bachelor of Arts degree. COURSE NUMBERING

0-099 are basic skills courses 500-699 are master level courses
100-299 are lower division 700-899 are doctoral level courses
300-499 are upper division

Basic skills courses are not counted toward graduation or in GPA. Graduate students may register for 300 or 400 level courses and receive graduate credit if approved by the instructor and chair of major area. Graduate credit will require the student to complete work in addition to that required of undergraduates. These courses will appear on the graduate transcript. Beginning fall 2006, a maximum of 9 credit hours of upper division coursework may be approved for graduate credit.

REPEATED COURSES

The hours of a repeated course count only once. The most recent grade is calculated in the GPA. A repeat is indicated on the transcript: E = Excluded from GPA and does not count toward fulfillment of graduation requirements.

TEST SCORE CREDIT

ASU accepts DANTES, SAT/ACT, IB (International Baccalaureate) and CLEP credit from subject (not general) examinations toward its bachelor degree programs. These will have grades of "P" (pass) and be indicated as exam credit via a comment beneath each course.

CAT SCORES

A teacher education student's scores (on National Norms) on the California Achievement Test (CAT), Level 19, Forms C or D, are at or above the 75th percentile in the areas of Spelling, Language Mechanics and Expression, and Mathematics Computation and Concepts.
