Re: Recommendation of Amanda Hathaway

Dear Selection Committee,

It is with great honor that I write today to recommend Amanda Hathaway for the graduate program. I have known Amanda for 7 to 8 years, while working at the Utilities and Transportation Commission. During that time, I have seen Amanda progress from a communications professional to an integral part of numerous projects of significant state interest. Her skillset, desire to reach stated goals and focus makes her a valuable member of any team but also someone that I have leaned on for years.

I would give Amanda the highest recommendation possible for this amazing opportunity and believe that her participation would benefit the school and other participants in the program. She has consistently proven herself to be an individual beyond measure and an asset to any team.

Regards,

Jason Lewis
