AUTHENTICITY

A transcript is official when it bears the facsimile signature of the Registrar, the Green River College seal, and the production date.

A transcript printed by the college's Office of the Registrar appears on a blue background, with the college seal watermark, and Registrar's signature. Photocopies of the official transcript will display the college's name and "UNOFFICIAL COPY" on alternate rows as a latent image. When the paper is touched by liquid bleach, an authentic document will stain brown.

An electronic transcript includes an authentication guide from the transcript service. Further authentication may be obtained by contacting the Office of the Registrar at (253) 228-3383.

ACCREDITATION

Green River College is regionally accredited as a two-year and baccalaureate degree-granting institution by the Northwest Commission on Colleges and Universities, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the Secretary of the United States Department of Education.
