Dear Admission Officer,

I am writing to recommend Bridget Ingraham to your Master of Public Administration program. I have known Bridget for one to two years and I was her professor in zoom classes during the pandemic in 2022 while she was an undergraduate student at Evergreen-Tacoma. Through this contact, I get to know Bridget during this particular difficult period. She was an excellent student who was self-motivated and disciplined and strived to achieve her academic goal. She was able to engage in discourse and research remotely. She demonstrated in her study at Evergreen Tacoma the ability to work collaboratively and learn across significant differences. The excellent communication skills she exhibited in team research projects I observed, distinguished her among her peers. She has been dependable and always amiable to this faculty and to her fellow students. She is well prepared for advanced study with excellent academic skills in oral and writing communication and critical analysis. Her positive energy and good temperament, as well as her openness to new ideas and feedback will continue to serve her well in her study with MPA.

I have no doubt that Bridget Ingraham will be successful in her academic study and she will be an asset to your program. Please feel free to contact me for further information regarding Bridget Ingraham.

Sincerely,

Mingxia Li, Ph.D.
