Re: Application of Bridget Ingraham

This reference letter is provided at the request of Bridget Ingraham, who has asked me to serve as a reference on her behalf. It is my understanding that Ms. Ingraham is applying for admission to the MPA Program.

I have had Ms. Ingraham in several classes. I know her work very well.

She has compiled an outstanding academic record at the Tacoma Campus. She is focused, highly intelligent, and determined.

Somehow, she has also effectively balanced the competing demands of family life (including the pressing and ongoing needs of an infant) with the rigors of academic study. It was an impressive performance.

I have no doubt whatsoever that Ms. Ingraham will be successful at this next academic level.

Her writing skills are very strong – logical, coherent, and imaginative. As an award winning writer (American Book Award, Governor's Writers Award), I have the background to evaluate this essential skill set.

Ms. Ingraham is also very collegial, willing to go out of her way to help others.

She would be an asset to the program and to her fellow students.

If you have further questions about her, feel free to contact me at <bachop@evergreen.edu>. I would be more than happy to answer any further inquiries you might have.
