

### ADDITIONAL NOTES

Roberta's transcripts do not have grades that I can easily translate to a US GPA.

The transcript key lists the codes as follows:

HD – High Distinction (80% plus)

D – Distinction (70-79%)

C – Credit (60-69%)

P – Pass (50-59%)

NN – Failure following supplementary examination

You will note that not all codes are listed on the key. The only courses she did not receive credit for are those coded NN. She received credit for all others.
