OREGON STATE UNIVERSITY

Oregon State University is the land-grant institution for the State of Oregon. In 1971 it was designated by the federal government as a sea-grant college, in 1991 received space-grant designation, and in 2004 received sun-grant designation. During its existence, the K-12 system operated on the semester system with a full 18-week session Fall and Spring semester. Summer semester was conducted in a 9-week session.

TIME STATUS

Full time status is defined as 12+ credits for undergraduate and post baccalaureate, 9+ credits for graduate students, 18+ for GE students. Half time status is defined as 6-11 credits for undergraduate and post baccalaureate, 5-8 credits for graduate students, and 15-17 credits for GE students. Part time status is defined as 1-5 credits for undergraduate and post baccalaureate, 1-4 credits for graduate students, and 1-14 credits for GE students.

INCOMPLETE/ALTERNATE GRADES

An I/Alternate Grade is depicted on the Oregon State

University transcript as an I/A, I/A-, I/B+, I/B, I/B-, I/C+, I/C, I/C-, I/D+, I/D, I/D-, I/F, I/P, I/N, I/S, and an I/U. This grade is to be treated as if it were an incomplete in all aspects. The notation of the alternate grade symbolizes what grade the student would earn if the student does not resolve the incomplete course work within one year of the recording of the incomplete or at the point of degree conferral (i.e., an I/D will revert to a D-). Once the incomplete is resolved or defaults to the alternate grade, the "I/Alternate Grade" will be replaced by a standard letter grade.

REPEATED COURSES

From Fall term 1972 to Summer term 1985, only the base grade earned in a course is credited to the student's grade point average and credits toward graduation. Effective Fall term 1985, all grades earned in a course are included in the student's grade point average. A grade followed by an "A" in the repeat column indicates a repeated course that will count in the cumulative grade point average, but not toward graduation. Effective Fall term 1997, courses may be repeated once for grade replacement. Although both grades appear on the transcript, only the second grade counts into the grade point average and toward graduation. Any course taken more than two times and is not repeatable, or previously passed, will appear on the transcript with a grade followed by an "R" indicating the course will not count in the cumulative grade point average, but toward graduation only.

COURSE NUMBER SYSTEM

001INC-99NC	Non-credit courses (i.e., Oregon State University Intensive English Program Courses). No points awarded.
1-99	Non-credit or credit courses of a remedial, terminal, or semiprofessional nature not applicable toward degree requirements. No points awarded.
50-99	(Fall term 1959 through Summer term 1982) Credit courses applicable toward a degree but of a basic, preparatory, pre-professional level
100-299	Lower division courses
300-499	Upper division courses. Some 400-level courses carried graduate credit prior to 1990
	> May be used for graduate major or minor credit
	< May be used for only graduate minor credit
500-599	Graduate courses offered primarily in support of master's degree
600-699	Graduate courses offered principally in support of doctoral level instructional programs
700-799	Professional courses which may be applied to a professional degree but not toward other advanced degrees (Ph.D.)
800-899	In-service courses with limited application toward advanced degrees

BACCALAUREATE/WRITING INTENSIVE COURSES

* All Baccalaureate Core classes are preceded by a * and all WIC classes are preceded by a ^.

CLASSIFICATION OF STUDENTS

Effective Summer term 2009, if a student repeats a course, the grade from each attempt will appear on the transcript, but only the second attempt will count toward the student's institutional credits and grade point average. Any course attempt with an "E" in the repeat column indicates that the course has been excluded from all calculations; this exclusion is either due to a course repeat or due to an historical practice through Summer term 2019 of excluding credits in excess of defined limits in academic regulation 25h.

GRADUATION REQUIREMENTS

A minimum of 180 credits must be earned. A minimum of 45 of the last 75 credits, or 150 total credits, must be completed while the student is in academic residence at OSU. Students may earn more than one bachelor's degree with the completion of the additional curriculum and minimum of 32 additional credits. Students earning an advanced degree usually earn a minimum of 45 credits.
