PRIOR CHANGES IN GRADING SYSTEM

Summer 1994:

ACADEMIC RENEWAL

On transcripts indicating “Academic Renewal”, grades of D and F earned prior to the student’s re-enrollment after a five year break (60 continuous months) are deleted from calculation of GPA. However, Academic Renewal does not affect graduation GPAs previously earned.

REPEATED COURSES

For students enrolled from Summer 1994 onward, only the last grade earned in a repeated course is computed in curriculum and cumulative GPAs. Policy applies to courses taken on the semester system.

Summer 1991: S grade restored to the grading system for developmental courses.

Spring 1990: Combined NVCC / VCCS credits no longer shown on transcript. Through Fall Semester 1989, transfer credits from other colleges in the Virginia Community College System were combined as NVCC / VCCS credits.

Summer 1988:

BEGINNING OF SEMESTER SYSTEM

Graduation honors changes to current system. Previously based on GPA only for courses within a student’s curriculum.

Fall 1987: S grade replaced by P.

1972: R grade extended to select credit courses.

1971: R grade added for developmental courses.

Fall 1970: S and U grades given for developmental courses.

Spring 1967 – Summer 1970: Developmental courses computed in GPA

Spring 2020 - Due to COVID-19: measures, students had a default grading scale of Pass or Withdraw during the Spring 2020 term. P+ is equivalent to earning a C or better. P- is equivalent to earning a D. Students had the option of requesting their earned letter grade, so there may be variation by course.

GRADUATION HONORS: Graduation honors are based on cumulative grade point average at completion of semester in which graduation is certified.
