Recommender Form Questions

How long have you known applicant:

Two years

Applicant ability as self-directed learner: Michael "Rex" Rexroth and I collaborated on a very large project involving multiple stakeholders and complex layers. Often he would come to the table with a "pitch" he'd been working on independently that would blow our minds. He is visionary, logical, methodical, and thorough. Self-Directed Level Expert.

Time since last contact with applicant:

One month

Applicant as productive member of group: The project we worked together on had about four sub workgroups all requiring different levels of engagement/interaction. Rex was masterful in his handling of a room. Calming presence, expertise, but never arrogant. As smart as he is, genius probably menses, he is humble and very kind. I would be in a team with him any day of the week! He produces excellent work and supports his teammates in their endeavors too.

Relationship with Applicant:		Applicant most significant strengths:	I could go on for days here... Integrity. Honesty. Creativity. Ability to unpack a very complex topic and make it understandable for everyone. He is a problem solver. What I value most was his forthrightness with management when needed. He will do very well in the Evergreen MPA program. I wish he would have been in my cohort. He is a leader, teacher, and kind hearted person. He will go far.
