RE: Recommendation for Frances Rohr

Dear Admissions Committee,

It is with great pleasure that I recommend to you Frances Rohr for admissions consideration to the MPA Public and Nonprofit Administration program at The Evergreen State College.

I have had the pleasure of knowing Frances for the last several years through my work in the Health Department at the Nisqually Indian Tribe, both as a colleague and as an active community member. She has been a constant and enthusiastic presence and supporter of community work, especially pertaining to the health and wellbeing of the Nisqually people. I've seen tremendous growth in Frances over the time I've known her, and I am excited to see where her passion takes her.

Frances is a hardworking and thoughtful student, who enthusiastically engages with her peers in whatever pursuit she is involved in. Being a former MPA Tribal Governance student myself, I know that Frances will be a wonderful addition to the PNAPP cohort. Her ability to think outside of the box, and fearlessness in the face of challenges will make her well-suited to graduate student life.

I cannot recommend Frances highly enough. Please feel free to reach out with any further questions, and thank you for your consideration.

Sincerely,

Josette Ross
