**Louis Mendy, Professor of  
American Studies at Cheikh Anta Diop  
University, Dakar Senegal.**

*Dakar, January 22 2023.*

**Letter of Reference for Mamadou Seck.**

I have known Mamadou Seck for the past eight years. He has always been a very serious and hard-working student, despite the extremely difficult studying conditions at our university. He has regularly passed his academic examinations with good grades. Mr. Seck has completed his first year's report of the master's degree in American Studies.

Mamadou Seck is very much interested in public administration. His social and family backgrounds may have contributed to that. He has got much experience inter-acting with people.

I have been my pleasure having him as my student thanks to his very good aptitude and altitude. Mister Seck is intelligent, creative and educationally sound.

I am quite confident that, if he is given the opportunity to study at your institution, he will make the most of it.

I support his application.
