**The Evergreen State College,
Graduate Admission.**

To whom this may concern,

I am Frida Schangwa, the Chief Executive Officer of Her Legitimate Future Foundation, a non-profit organization that serves the community of Tanzania to empower the community economically, mentally and socially against poverty. I am proud to strongly recommend Mr. Jean Temu for the Master of Public Administration program at Evergreen State College.

I have professionally known the applicant for six years now as a permanent employee of the organization in the Department of Project Management. The organization's Human Resource Department has permitted and supported Jean Temu to pursue further academic studies in the Master of Public Administration, as he will be promoted to a higher position after completion.

Jean has been an important part of the organization. He has contributed to the accomplishment of several projects in his department. He has great abilities to observe community problems in the community, communicate with the organization and convince his team to work on the issue for future projects. We believe by pursuing the Master's program, will benefit the organization greatly.

Additionally, he has excellent analytical and critical skills in data interpretation and decision-making. He has helped the organization make decisions based on collected and secondary data in important organization decisions. He has excellent communication skills in writing and speech. He works in report preparation for projects monthly and annually. I do not doubt that he is an excellent writer in professional settings. Jean has excellent interpersonal skills and works very well in teams. he always makes statements to encourage co-workers to work as a team.

Jean has shown great enthusiasm and happiness working with our organization and we are glad to have him. He has powerful professional potential that needs to be developed. Therefore, I strongly recommend him to your Educational institution for the program he is applying to. For more information, contact me via electronic mail: hlff.ngo.hq@gmail.com.

Yours sincerely,

**Frida Schangwa,
CEO of Her Legitimate Future Foundation-Tanzania.**
