Dear Sir/Madam

#### RECOMMENDATION

I am happy to recommend Miss Fatoumata B Jallow. She has been working for Trust Bank Gambia for two years as an Account Remedial Officer. I am her direct supervisor. Fatoumata is responsible for financial transactions which includes cash deposits and withdrawals from where she was promoted to be responsible for creating and updating of customers accounts both in and outside of the country as well responding to customers enquiries which she always successfully deliver to expectation.

She currently has been elevated to be part of the records team of our prestigious bank due to her dedication, commitment and loyalty towards the job she does. Her outstanding dedication to our team made us win the first award for our department in the Bank under compliance 2022.

Her work experience would be perfect for this course to be taught in your University.

I am very confident about Fatoumata's ability to succeed in any University she joins to pursue her masters program. I wish her all the best in her future endeavors.

Please contact me at +220 230 5800 or email me at amadouiang.i@tblhambia.com If you have any enquiries.

Regards.
