Dear Sir/Madam

REF: RECOMMENDATION FOR ANGELA AUGUSTINE KIMATHI.

Kindly refer the heading above.

It is with great honor that I recommend Angela Augustine Kimathi who has been my core worker at the Mt. Meru Hospital. Angela has applied for the Masters of Public Administration at University of Bella state, I know Angela Is a good leader, committed, very cooperative and hard worker. For the long time I have known her, she has demonstrated exceptional skills and competence at her professional.

I have been always amazed by her passion and innovative mind; Additionally, Angela has an excellent rapport with everyone. She is humble and honest. She has good a communication skill, which helps her connect with people of all ages. Whenever there is an official occasion, she is always called to speak because she is natural eloquent.

I bealive the course on MPA fits her professionally, and it will enable her to broaden and upgrade her knowledge on Administrtion issues. Moreover its an opportunity to obtain a more in-depth knowledge within these areas, but also developing a strong understanding of health Aministration policy, and research methods, which will give her the underpinning knowledge to undertake a PhD in Public health evaluation and policy in the future.I am confident she would make a valuable addition programme she has applied for.

Yours, Richard Gutta.
