# UNIVERSITY OF SOUTH FLORIDA

## TRANSCRIPT LEGEND (Last revised 10/22/18)

**Accreditation:** The University of South Florida System (USF) is comprised of three separately accredited institutions: USF Tampa, USF St. Petersburg and USF Sarasota-Manatee. USF Tampa is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (SACSCOC) to award associate, baccalaureate, master's, specialist and doctorate degrees. USF St. Petersburg and USF Sarasota-Manatee are accredited by SACSCOC to award degrees at the baccalaureate and master's levels. Additionally, many colleges and academic programs have specialized accreditation from their respective professional associations.

**Calendar System:** USF has used different academic calendars since opening on September 26, 1960. USF operated under the traditional semester calendar from Fall 1960 through Summer 1963. A conversion to trimesters was implemented between Fall 1963 and Summer 1967. A quarter calendar was used between Fall 1967 and Summer 1981. Beginning Fall 1981, USF adopted a modified semester calendar, which is still in effect.

<u>Years</u>	<u>Calendar Type</u>	<u>Credit</u>
Fall 1960- Summer 1963	Semester	Semester
Fall 1963- Summer 1967	Trimester	Semester
Fall 1967- Summer 1981	Quarter	Quarter*
Fall 1981- present	Modified Semester	Semester

\*All credit hours are posted in semester equivalents; CLEP awarded between Fall 1967-Summer 1981 has not been converted, except in total CLEP hours.

**Course Numbers:** Courses are numbered using the State of Florida Course Numbering System for courses beginning Fall 1978; USF's own system was used prior to Fall 1978. Under both systems, course numbers beginning with 1 or 2 are lower division, courses beginning with 3 or 4 are upper division and courses beginning with 5, 6, 7, 8 or 9 are graduate level.

**Grade Point Average (GPA):** GPAs are computed by dividing the total number of quality points by the total hours attempted at USF. The total quality points are calculated by multiplying the number of credits assigned to each course by the quality point value of the grade given. GPAs are truncated to two decimals (3.48) and rounded up to the thousandth.

If an undergraduate originally earns a C or higher in a course that may not be repeated for additional credit, and then earns a C or higher on a subsequent enrollment, the new grade is not computed in the GPA unless the Grade Forgiveness Policy is applied. Graduate students are not eligible for grade forgiveness; if a graduate student retakes a course, both grades will be used in the determination of the GPA.

Courses taken by non-degree-seeking students are not computed in the GPA unless the courses are later transferred in and applied to the degree requirements. Grades for transfer credits accepted toward the major are not be counted in the GPA unless the coursework was taken as a non-degree-seeking student at USF.

**Grading System:** USF uses a four point grading system to measure academic achievement in quality points; all grades earned, regardless of course level, are posted on the transcript. The assigned grades, performance level and earned quality points are as follows:

<u>Grade</u>	<u>Performance Level</u>	<u>Quality Points</u>
A+		4.00
A	Excellent Performance	4.00
A-		3.67
B+		3.33
B	Good Performance	3.00
B-		2.67
C+		2.33
C	Average Performance	2.00
C-		1.67
D+		1.33
D	Poor Performance	1.00
D-		0.67
