I am writing this letter in support Tamara Sine for your Master's in Public Administration program! If you are searching for an individual that is reliable and incredibly capable, you are looking at one with Ms. Sine. She worked with me as a teacher at Dunedin Elementary School. She started here as a 2nd year teacher in 2018. She followed a teacher who was a legend in in our district. In her first year, she was able to make a difference with a group of students that had shown behaviors and low interest in much of the material being covered. In that situation, Ms. Sine demonstrated she was willing to do ANYTHING for our students and our school. The staff and administration overwhelmingly supported the work that Ms. Sine was doing with our students. She possesses all the qualities you would look for in an outstanding candidate for graduate work: relentless, hard-working, highly intelligent and a team-player!

Ms. Sine was an untitled respected leader at our school. For all these reasons and more, I would recommend Tamara Sine for this program. She deserves the opportunity to continue to make an impact on music education for all students.

Respectfully,

Christina Murphy
Principal
