Dear Members of the Admissions Committee,

I am writing to enthusiastically recommend Ms. Cammi Wittwer for admission to your esteemed Master in Public Administration program. I have had the privilege of knowing Cammi for three years as an outstanding and actively engaged student here at Northwest Indian College – Nisqually Campus. Over the last three years, I have had the pleasure of teaching Cammi and being her academic advisor to help her achieve her goals. I witnessed their exceptional academic abilities, unwavering dedication, and profound impact in both academic and community spheres while she earned her AA and BA on a fast track of 3 years.

Ms. Wittwer is nothing short of remarkable. Their academic record speaks volumes about their intellect, determination, and commitment to excellence, evidenced by their consistent achievement of a perfect 4.0 GPA. However, what truly sets Cammi apart is their ability to balance academic pursuits with significant personal and professional responsibilities.

Beyond her academic achievements, Cammi has actively engaged with their community, demonstrating a deep sense of social responsibility and a genuine desire to effect positive change. She asked questions in class and did work in her assignments that showed she was deeply thinking about how to apply the new information or skill to her workplace or for her Tribal community. I've seen her draft, suggest, and implement new policies and support the training and learning of her colleagues within her role as Human Resources. Ms. Wittwer consistently demonstrates leadership, empathy, and a tireless work ethic and I believe she is ready for Graduate level work. Cammi's current position, previous experience, and her ability to translate academic knowledge into meaningful action bodes well for future success in the field of public administration.

I wholeheartedly recommend Ms. Cammi Wittwer for admission to your Master in Public Administration. Please do not hesitate to contact me if you require any further information.

Sincerely,
Jenny Serpa, MPA
