**COPPER MOUNTAIN COLLEGE**

Copper Mountain College, located in Joshua Tree, California, began as a satellite campus of College of the Desert, part of the Desert Community College District. Transcripts were conjoined through Summer Term, 2001. Following Summer Term, 2001, the Copper Mountain campus became Copper Mountain College, an institution not connected with Desert Community College District. Course work attempted by students prior to Fall Semester, 2001 is duplicated on transcripts from Copper Mountain College and College of the Desert.

**CREDIT**

College of the Desert is on the semester system and all units awarded are semester units.

**REPEATED COURSES**

If a course in which a substandard grade of D, F, or FW is repeated, the first grade is annotated by an R and the units and grade points awarded from the earlier course are not included in the cumulative totals. The first grade is computed into GPA until the semester following repeat at which time GPA is recalculated.

**WITHDRAWAL MARK**

If a student withdraws from a class during the first two weeks of instruction or 30% of the course, neither the course nor the grade will appear on the student's record. If a student withdraws from a class between the third week of instruction or 31% and the fourteenth week of instruction or 75%, whichever is less, a mark of "W" is assigned.

**GPA STATEMENT**

GPA is configured using the following method: Cumulative attempted units shown are accurate; all grading symbol or notation units (AP, AR, CL, E, ML, MW, NP/NC, P/CR, R, RD, T, W) are deducted before final GPA computation. GPA is computed in a column not visible on the transcript. Be assured the cumulative GPA is correct.
